Session 3: Reflective discussion

Session 3: Educational counselling system as a support mechanism for newly arrived immigrar

Session 3: Educational counselling system as a support mechanism for newly arrived immigrants

How would you modify/improve your country's approach of educational counselling system?

What kind of support is needed for improvement?

What parties and levels should be involved? What would be their role?

To what extent can the approach be transferred in the Baltics?

What would be the first steps for joint Baltic action? What would be the advantages and risks?

The future of Baltic Inter-Ministerial Round Tables

Thank you!
